

***Funeral Receptions
at The Dower House***

We appreciate these occasions are an emotional time and we are very sensitive to your needs.

We feel that it is very important that you spend time with your family and friends and don't have to worry about arranging and serving food and refreshments. This is a time for you to reflect and celebrate the life of a loved one.

We have a selection of menus suitable for this occasion, although if you are looking for something a little bit more we can arrange to suit any of your requirements.

All buffets and home made cakes are freshly prepared on the day and our main function room and gardens sets the right ambiance for a peaceful gathering to celebrate the life of a loved one.
